

# Harvest Network

## Information for leaders of local churches who are exploring a relationship with Harvest Network

Harvest Network exists to strengthen and plant churches. We are a ministry team led by Rob McFarlane working in relationship with autonomous local churches.

We host regular events to encourage and equip local church leadership teams. We are involved in the great commission through global missions and strategic partnerships.

### Harvest Team

Harvest Network is led by Rob McFarlane. We have a Leadership Team and will be developing a Ministry Team.

Our Leadership Team are responsible for the management of Harvest Network.

We are developing a Ministry Team who will be available to minister in Relating Churches.

### Regular Events

Harvest Network hosts two kinds of events.

(1) Leadership Conferences – to encourage and equip local church leadership teams. We encourage leaders of Relating Churches to invite others from their church to join us.

(2) Pastors Events – to build relationships, pray together and be equipped for ministry. For pastors and elders of Relating Churches and others invited by the Harvest Team.

## Relating Churches

Relating Churches are autonomous local churches, with similar vision and values, working in partnership with Harvest Network.

Some local churches see Harvest Network as their primary relationship. Other churches have a primary relationship elsewhere, but still want to build relationship with Harvest Network.

We encourage churches that relate to Harvest Network to develop relationships with other local churches in their community.

## Ministry into Relating Churches

Harvest Network will send (when invited) members of our Ministry Team to minister in relating churches.

We recognise that the highest human authority in a local church is its eldership team. The Ministry Team will report to the Leadership Team of Harvest Network.

## Finances at Harvest Network

Harvest Network is a faith venture and Relating Churches are invited to make a regular financial contribution.

Donations received are used at the discretion of the Leadership Team. We will provide an annual financial report to leaders of Relating Churches.

## Strategic Partnerships

Harvest Network wants to build partnerships with other groups, ministries and networks. We want to play our part, together with others, in fulfilling the great commission.

## Contact Details

Please [contact us](#) if you are leading a local church and would like to build a relationship with Harvest Network.
